Annex 2: GENERAL ASSEMBLY RULES ON DEBATE & PROCEDURES

INTRODUCTION

Warm greetings from the secretariat! This information sheet is about the 11th General Assembly Process, rules and debate of general assembly business. There are three components in the 11th General Assembly. These are: Discernment, General Sessions, General Assembly Commissions. These are explained in **Annex 2** on the general information sheet. These rules of debate and procedures are lifted from the RULES ON DEBATE AND PROCEDURES in the current PCC constitution. These will govern the business of both the General Sessions and the Commissions' Sessions.

RULES ON DEBATE AND PROCEDURES AS PER THE 2007 AMENDED CONSTITUTION

RULES FOR GENERAL SESSIONS

1. When the Assembly is in General Session (for ceremonial occasions, public acts of witness, formal addresses, etc.), the only business that shall be in order, except with consent, is that which is proposed by the Moderator, Deputy Moderator or the General Secretary in consultation with the Steering Committee.
2. In the absence of the Moderator and Deputy Moderator the Assembly shall appoint an interim Moderator to chair the Assembly.
3. The responsibilities of the Moderator/Deputy Moderator shall be to announce the opening, suspension and adjournment of the meeting; his/her/their first action shall be to announce clearly that the Assembly is in general session; he/she shall ensure the observance of the applicable Rules on Debate; he/she shall grant the right to speak and declare the debate closed; he/she shall put questions to the vote and announce the result of voting. He/she shall not make a motion himself. His/her decision is final in all matters except as to the result of voting. If the Moderator/Deputy Moderator's decision as to the result of voting is challenged, a vote shall immediately be taken on the motion: —that the Moderator/Deputy Moderator's decision be reconsidered||; and reconsideration shall be permitted, by a majority of the members present and voting in favour of this motion.
4. All speeches must be addressed to the Moderator.
5. Any member may submit a point of order or procedure to the Moderator/Deputy Moderator, and may, if necessary, interrupt a speaker for the purpose.
6. The Moderator/Deputy Moderator shall read the motion immediately before any vote is taken. He/she shall first ask those in favour of the motion to vote, and then those opposed. The Moderator/Deputy Moderator may, if he/she thinks fit, appoint members of staff to act as tellers, and he/she shall do so in case of doubt as to the result of the vote. Voting on routine business shall be by consensus through simple majority of a show of hands or unless otherwise decided by vote of

the Assembly. Voting on matters of particular significance [e.g. election of Assembly Officers or Constitution matters] require an intentional process to ensure that a successful candidate is elected on at least 51% of the primary votes and to ensure that consensus is obtained.

7. If a motion for on routine business is proposed and seconded the Moderator /Deputy Moderator shall put this motion to the vote without further debate. A simple majority of those present and voting shall decide the issue.
8. Those voting with the minority may have their names recorded. Those who abstain from voting may, if they wish, have the number of abstentions recorded.
9. The two official languages are English and French. All documents shall be printed in the official languages of the Assembly.

RULES FOR BUSINESS SESSIONS

1. The Assembly shall sit in business session when any of the following types of business are on the agenda: adoption of agenda presented by the Steering Committee, nominations, elections, proposals with reference to the structure, organization, budget or programme of the Pacific Conference of Churches, or any other business requiring action by the Assembly.
2. See 2 General Session.
3. See 3 General Session.
4. See 4 General Session.
5. No member shall speak more than once on the same motion or amendment, except that the mover shall have the right to reply.
6. See 5 General Session.
7. See 6 General Session.
8. See 7 General Session.
9. See 8 General Session.
10. See 9 General Session.
11. If any member desires to propose a motion not on the agenda, he/she shall be permitted to have his/her motion read. A vote shall be immediately taken as to whether or not his/her motion shall be included in the agenda.
12. All motions and amendments must be proposed and seconded, handed to the Moderator/Deputy Moderator in writing, and read before vote is taken. The Moderator/Deputy Moderator has the power to rule an amendment out of order as being substantially a negation of the motion.
13. During the discussion, speeches shall be limited to three (3) minutes. A bell shall be rung one minute before a speaker's time is up. A second bell shall be rung after the three minutes and the speaker shall then sit down, unless the Moderator/Deputy Moderator proposes and receives consent that an additional minute or minutes be allowed the speaker. If translation (other than simultaneous) is required, sufficient additional time shall be allowed by the Moderator/Deputy Moderator.
14. Any motion or amendment may be withdrawn with the approval of the Assembly.

15. a). When an amendment has been proposed and seconded the Moderator /Deputy Moderator shall allow discussion on the amendment only. An amendment to an amendment is in order, but an amendment to an amendment and an amendment shall be out of order.
 - c). Discussion and voting shall be in reverse order of the motions made.
 - d). When the Assembly has voted to approve or disapprove the amendments which have been proposed and seconded, and the original motion is before the Assembly (amended or not as the case may be), additional amendments are in order except those which are judged by the Moderator/Deputy Moderator to be substantially the same as proposal already discussed and decided.
 - e). A motion to refer a resolution back to the responsible committee, with or without pending amendments, is always in order.
 - f). Debate on such a motion shall be limited to three minutes by the mover of the motion, and three minutes by a representative of the committee making the original proposal, and
 - g). Comments by the Moderator/Deputy Moderator and Secretary as to the feasibility of handling the matter later in the agenda when and if required is in order.
16. A motion to close the debate in order to proceed immediately to vote on the pending amendments and on the main question shall be in order when admitted by the Moderator/Deputy Moderator. The Secretary shall be asked to report to the Assembly the names of delegates still desiring to be heard and the names of delegates whose proposed amendments have not been heard, after which the Moderator/Deputy Moderator shall ask the Assembly 'shall the Assembly now conclude the matter before it?'. The Moderator/Deputy Moderator shall put the question to the Assembly without debate when it has been moved and seconded or when he judges that the Assembly desires to conclude the matter before it. If a simple majority present and voting agree, the vote or votes shall be taken without further debate.

RULES FOR DELIBERATIVE SESSIONS

1. The Assembly shall sit in deliberative session when resolution or reports are before it which are of such a theological or general policy nature that in the judgment of the Executive Committee or the Steering Committee they ought not to be amended in so large a body as an Assembly. 12. The only motions from the floor that are in order are:
 - a). to refer back to the respective committee with instructions to consider whether new or different emphasis or emphases shall be included by the committees in its report; or
 - b). to instruct the committee to provide for an open hearing or an additional open hearing on the report before bringing it again to the Assembly.
13. Speeches shall ordinarily be limited to ten minutes. The bell shall be rung at the end of eight minutes and again two minutes later and the speaker shall then sit down unless the Moderator/Deputy Moderator proposes and receives consent that an additional minute or minutes be allowed. When the number of those desiring to speak is large, the Moderator/Deputy Moderator may ask the Assembly to agree to a shorter time. When translation (other than simultaneous) is required, sufficient additional time shall be allowed by the Moderator/Deputy Moderator.
14. See 16 Business Session.

Annex 3: GENERAL ASSEMBLY PROGRAMME

INTRODUCTION

The main orientation of the programme is to capture the three main components of General Assemblies, as in the past, which are:

- Bible study and devotions
- Fellowship Groups Discernment
- Plenary Sessions

WHAT IS THE AIM OF THE PROGRAMME?

It is important to keep in mind that the overall theme of the 11th Assembly is “*Singing the Lord’s Song in a Foreign Land.*” In this regard, the 11th assembly is also about our people, the Diaspora. It is our ecumenical expression of solidarity with these people of ours, and the openness to listen to their stories and experiences. This programme, therefore, is an attempt to highlight this aspect of our ecumenical journey – the Diaspora is symbolic of our ecumenical journey too.

- Listen and discern with one another the will of God in the work of the assembly.
- Foster an experience of sharing one’s faith experiences with others.
- Re-discover the values and the experiences of faith that brings and binds us together.

In addition, our ecumenical journey today needs to be framed and narrated by the perspectives and experiences of our young people.

It is hoped that the programme will achieve for all of us the desired aims and most importantly, help to discover a sense of deep solidarity with our people in Diaspora and rekindle the enthusiasm, passion and fervour for ecumenism, and fellowship and solidarity among the member churches as it once did to the founding fathers and mothers of the ecumenical movement in our region.

WHAT ARE THE COMPONENTS OF THE PROGRAMME?

The three main components of the programme are as follows.

1. **Bible study and devotions:** How will an assembly of 250 people discern the will of God for the Pacific Conference of Churches now and in the future of our ecumenical relations? We will discern God’s will together by our sharing on the word of God. We will engage through bible study and devotions and discern in fellowship group discernment every morning and in our celebrations in songs and choruses.
2. **Fellowship Groups Discernment:** The tasks of the fellowship groups are: (a) share insights from the bible study and their practical applications; (b) debate and discuss issues from the report presentations during plenary sessions; and (c) prepare recommendations to the assembly. The other purpose of the fellowship groups is to strengthen ecumenical fellowship and build solidarity and awareness on the issues tabled for their deliberation. Each of the fellowship groups will be a

balance of lay people and ordained ministers, of gender and of young and old. The recommendations from each of the fellowship groups will be reported in the assembly for further debate and decision-making.

3. **Plenary:** How will we make decisions? The decisions will be made by the general assembly in plenary. As in most Pacific islands, such spaces are where the community gathers to discuss matters of common interests and concerns, and to make decisions. It is a place where forgiveness is sought and peace made; where life is celebrated and re-affirmed, and where bonds of solidarity are forged, renewed, reaffirmed or strengthened. It reaffirms belonging and solidarity with one another even when we disagree with one another.
